The Township of Huron-Kinloss is preparing a Parks and Recreation Master Plan to plan for the parks and recreation needs of current and future residents by developing an understanding of what is

working, where there might be gaps, and what the priorities are for the future. Our team has been reaching out to various community organizations, clubs, and to residents to hear about current parks and recreation needs. And we want to hear more! Please help identify current and future needs within Huron-Kinloss by competing a survey. Visit huronkinloss.com/parks-and-recreation-master-plan to complete the survey!

It's going to be a good summer, so let's be kind, take care of one another, and have some fun!

Household hazardous waste materials include paints and stains, propane tanks, used oil, aerosols, batteries, antifreeze, oil filters, solvents, household cleaners, fluorescent lights, fertilizers, fuel, pharmaceuticals, fire extinguishers, pesticides, and pool chemicals. This is sponsored by the County of Bruce.

Fundraising efforts are in full swing for the Paisley Splash Pad Project. The Paisley Rotary Club has made an amazing donation of \$50,000!!
