

Specializing in Family, Litigation and Criminal Law

The Law Offices of Andrea Clarke hung out their shingle mid-summer, and to say it has been a bit of a whirlwind for Lead Counsel, Andrea Clarke, would be an understatement!

Tackling a move from the UK, starting up the firm, establishing a home for her family, and diving into community groups and activities- Ms. Clarke has been busy!

The firm hosted an Open House last month, which had a tremendous turnout. Andrea and her team welcomed in members of the community for a peek at the office, the opportunity to meet Lead Counsel, and offered special promotions. Wish you'd been able to attend? The team is currently planning another community event. Stay up to date on future happenings and ongoing promotions via the Law Offices of Andrea Clarke Facebook page.

A boutique firm, the Law Offices of Andrea Clarke specializes in Family, Litigation and Criminal Law. With over a decade of experience in the courts, Clarke believes that her focus on specific case law allows her to confidently partner with her clients, and adeptly navigate straight-forward and complex legal situations equally.

Are you currently in a relationship struggling with issues that cannot be resolved? With today's busy lifestyle, many couples are opting to come together and dissolve their relationship with a Separation Agreement. When both parties are amicable, a Separation Agreement will clearly define expectations/rights

for property division, custody, debt equalization and support. Opting to settle your matter jointly can save time, energy and ongoing fees in comparison to filing in Court.

Continually looking for a way to grow and collaborate, Andrea is spearheading a Women Empowerment – Kincardine networking group, with hopes that the strong local female presence in business leadership will support each other and work together. With such an abundant amount of talent and expertise in our community, it is Andrea's hope that these professionals will meet informally throughout the year to share experiences, and learn and grow from one another.

Ms. Clarke encourages her fellow Women in Business to check out the Women Empowerment – Kincardine page on Facebook to join the network and stay apprised of upcoming events or group topics.

The Law Offices of Andrea Clarke would like to thank the community for such a warm welcome, and is pleased to call Kincardine home. If the firm can be of service to you, please contact the office toll-free at 1.855.628.2618, or email office@clarke-law.ca.*
